Dear Dr. Russell:

The Board of Governors of Missouri Western State University met yesterday and took action on a revised request regarding undergraduate, in-state tuition and required fees for FY2012.

	FY2011	FY2012	Increase
Total (based on 30 credit hours a year)	\$5,726.30	\$6,041.30	\$315.00

Please accept this letter as official notification of their approved increase for FY2012.

Western will continue to support the state's higher education objectives, and we believe that this action helps us in this regard.

Please free to contact me or Vice President Mel Klinkner if you have any questions or require additional information. Thank you for your help and guidance.

Sincerely,
